## STATEMENT RE SUBSTANCE OF INTERVIEW

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicants wish to thank the Examiner for the courtesy of an Interview conducted on July 25, 2005. During the interview, the claims were discussed with reference to the cited art, i.e., U.S. Patent No. 5418951 (Damashek). It was agreed that the amendments made to the claims in the Amendment After Final Rejection clearly overcome the art of record. However, the Examiner indicated that the claim amendments raise new issues that would require further consideration and search.

In view of the foregoing, Applicants are filing this paper with a Request For Continued Examination, in order to have the Amendment After Final Rejection entered and considered.

Appl. No. 09/848,982  
Statement re Substance of Interview

The Commissioner is hereby authorized to charge any required fee in connection with the submission of this paper, any additional fees which may be required, now or in the future, or credit any overpayment to Account No. 50-2638. Please ensure that the Attorney Docket Number is referred when charging any payments or credits for this case.
